

SK - Certificate of conformity

C_{SK}

Signed representative of producer: **IN VEST Ltd.; Duslo Area; 927 03 Šaľa**

workshop: **Concrete Blocks Plant, Duslo Area, 927 03 Šaľa**

thereby declares that product: **FENCE SPLITTING COMPONENTS CASSER
AND COMPLEMENTS CASSER**

is comply with articles of Council Regulation 89/106/EHS and Law No. 90/1998 about construction products (law in force), if it's built-in according to producer articles for using and that for product is valid technical specification.

- Technical Certificate - TO – 08/0051 - issued by Technical and Testing Institute, Bratislava
Testing area – OM 04; Studená 3, 826 34 Bratislava

Within the tests of type were tested:

Property	Stated value or class	Test protocol number and laboratory reference
Dimensions:	Accordance with type documents.	[Protocol 1]
Compression strength - components - individually - average	min. 20 MPa min. 25 MPa	[Protocol 1]
Water and chemical defrosting substances resistance	Level of surroundings effect XF2	[Protocol 1]
Frost resistance	M 50	[Protocol 1]
Absorption factor	max. 7,5 %	[Protocol 1]
Volume weight	1500 kg/m ³ ± 10 %	[Protocol 1]
Fireproofing properties – fire reaction	class A1 - fireproof	acc. to Ministry of Building's Regulation No. 158/2004 as amended by Notice No. 119/2006 specified without testing

Product description; using purpose and application method for construction:

Splitting components with facing slabs could form system mutually combinable components for creation of supporting walls, fences, fencing poles. Fencing erection is also possible by bearing structure facing with facing slabs. The part of system is also capping components provided shelters.

Protocol numbers and laboratory names and addresses, which tests executed:

[Protocol 1] Test protocol No. P20-08-0168, P20-08-0169 tested by TSÚS Bratislava – Testing laboratory
Reg. No. 004/S-125, Studená 3, 826 34 Bratislava, 26.02.2008 and 10.03.2008.

Validity of Technical Certificate **TO – 08/0051** is from 11.04.2008 till 10.04.2013.
